

CK) Photonic Crystals, Photonic Nanostructures and Integrated Optics

Financial Support Application form for CK symposium in CLEO/IQEC 2007

Through the generous support of the network of excellence PhOREMOST supporting this symposium, conference organizers will be able to offer limited partial support for young researchers (graduate students and post-docs) who plan to contribute to this symposium with an oral/poster presentation. Priority will be given to young researchers from new EU countries and accession countries.

The partial support will consist of registration fee waiver to the qualified participants. The list will be finalized by mid of April 2007 and the successful applicants will be informed via e-mail.

The application form should be submitted before March 30, 2007.

Please fill-in this application form and e-mail your form to patricia.helfenstein@uha.fr
